Digital Citizen – stage 2

Complete every task to achieve Stage 2, showing that you have thought about the potential risks and how to stay safe for each activity.

1. Plan and then create a piece of digital media. It could be artwork or a photograph that you alter using creative tools, music, animation, CAD (Computer Aided Design) or a 3D sculpture.
2. Show that you can:
 - send or reply to someone with a short email and include an attachment
 - download photos or other media from a camera or smart card
 - open and save a document then share it using a cloud service (like Google Docs or Microsoft Sharepoint) or a USB stick
 - create a document that includes media that you've downloaded or copied from another source.
3. Use the internet for research:
 - decide on an area of interest
 - use two different search engines to find three websites you think are reliable
 - collect information by printing the pages or saving as PDF documents
 - select relevant information by copying text or an image and pasting into a document
 - display your findings as a poster or a short report.
